SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §§ 1.97 AND 1.98

Commissioner for Patents
Washington, D.C. 20231

Sir:

Supplementing the Information Disclosure Statement filed concurrently herewith, applicant herewith cites the additional art cited on the enclosed form 1449 which may be material to the patentability of the application.

A completed Form 1449 is enclosed.

In accordance with MPEP §§609 and 707.05(b) it is requested that each document cited be given thorough consideration, and that it be cited of record in the prosecution history of the present application and the patent to issue on the present application by initialing on the Form 1449.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56 as an Examiner might consider any cited document important in deciding whether to allow the application to issue as a patent, but the citation of any document herein is not to be

construed as an admission that such document is necessarily relevant or prior art. Moreover, no representation is intended that any cited document represents the results of a complete search or that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104(a), and in the course of such search will review for relevance every document cited on the attached Form PTO/SB/08B even if not initialed.

Early and favorable consideration are solicited.

Respectfully submitted,

Dated: May 4, 2001
